A General Information

On June 24, 2016, the AIIB Project Preparation Special Fund (“PPSF”) was established as a special fund of the Asian Infrastructure Investment Bank (the “Bank” or “AIIB”) in accordance with Article 17.1 of the Bank’s Articles of Agreement (the “AOA”).

PPSF is established as a multi-donor fund, which is open to contributions by all Bank members and others (the “Contributors”). The purpose of PPSF is to support and facilitate preparatory activities during the preparation and early implementation of projects to be financed by the Bank. The resources from the Contributors are accepted, held, managed, administered, used, committed, expended or otherwise disposed of by the Bank in accordance with the AOA, the Rules and Regulations of the Project Preparation Special Fund and the Contribution Agreements.

The following table sets out the total commitments and paid contributions as at Sep. 30, 2021.

B Accounting Policies

B1 Basis of preparation

These condensed interim financial statements for the nine months ended Sep. 30, 2021 have been prepared in accordance with International Financial Reporting Standard (IFRS): IAS 34 *Interim Financial Reporting*, and should be read in conjunction with the annual financial statements for the year ended Dec. 31, 2020.

The accounting policies adopted are consistent with those used in PPSF’s annual financial statements for the year ended Dec. 31, 2020.

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise judgment in its process of applying the accounting policies. The area involving a higher degree of judgment or complexity is the determination of the recognition period for AIIB administration fee. The financial statements have been prepared on a going concern basis.
