Instructions:

1. **Use of project preparation proceeds.** The proceeds of the grant funds are expected to be used to finance project preparation related activities, such as (but not limited to):
 - reviewing and improving feasibility studies;
 - conducting environmental, financial, legal, social and technical assessments and analyses;
 - providing advisory services in relation to procurement, transaction and contract management;
 - developing project implementation plans and schedules; and
 - providing project implementation support.

Please tick items according to the proposed use of Special Fund and fill in the budget accordingly.

2. Detailed Description of the project preparation proposal should include (but not limited to):
 - a. Purpose
 - b. Rationale/Background
 - c. Components and Budget
 - d. Output indicators
 - e. Implementation Arrangements (methodology, milestones, reporting and audit arrangement etc.)
3. Signatory is a representative authorized by the client.
